

Monte da Ravasqueira Lusitano horses conquer 3rd place at Saumur and Windsor

The Monte da Ravasqueira Lusitano horses that are taking part in several important international driving events have again achieved good results in two contests recently held in Windsor (United Kingdom, May 10th to 13th) and Saumur (France, June 8th to 10th).

Driven by Frenchman François Dutilloy, horses Fol'Blanc, Rewisor and Raja came third in pairs at Windsor, while Rewisor, Fol'Blanc and Uwico also came third in pairs in the contest held at Saumur a month later.

Following these two good results, to which must be added a second place also won in pairs this year at a contest at Conty (France, April 25th to 29th) with Rewisor and Uwico, François Dutilloy is now preparing the Monte da Ravasqueira horses for the coming edition of the World Championship to be held in Poland at the end of August.
